Discussion:

Read 1 Corinthians 11:1, NIV

- How have you defined or thought of discipleship before tonight?
- What thoughts came to mind when you heard Jo talk about not being able to, "Be" what she couldn't "See?"
- Who has been an illustration in your life of what it means to be a disciple? When and how did you give them access to be able to see what it looked like to be a disciple? Has it been more than one person? If so, talk about the main areas you saw in the lives of those you stood shoulder to shoulder with.

- **Who have you been an illustration for or stood side by side with to disciple?**
- **What are some of the obstacles when it comes to finding or allowing people to stand side by side with?**

Define & Committ

- **Name one area of your life where you could really benefit from “seeing” another disciple live it out.**
- **If discipleship is a combination of truth, relationship and seeing give a name of someone you can start to reach out to disciple you? Give a name of someone you might reach out to begin disciplining them?**

Prayer

- **Spend some time praying for those disciple relationships. If you have specific names, name them. If you don't have names pray for God to bring the right person/people. Pray for God to break down walls you might have up from being discipled. Pray for the Spirit to help you to spend more time with the ultimate rabbi Jesus in the word and in solitude with Him as well.**
